Front seat upholstery :

Re-upholster 2 x single front seats : £1,350.00

Re-upholster the drivers seat and a double passenger seat : £1,450.00

Kitchen units

SWB : £1,800.00

LWB : £1,900.00

All our kitchen units are cut on our CNC machine and are built in house.

All our full kitchens come with overhead lockers, a splash back, a worktop, a table, a wardrobe section and cupboards for storage.

We build the kitchen units to accommodate the size of bed that you would like.

You can have a full kitchen unit with a 1066mm bed up to a 1300mm bed. The bigger the bed the slimmer the kitchen will be!

For full width beds we can supply and fit kitchen pods.

If you are looking for something slightly different for your camper we can offer bespoke conversions. All hand built by our professional cabinet maker to suit your desired requirements.

Let us know what you are looking for and we can offer pricing !

Appliances

Full appliance pack of a fridge,
2 ring gas hob and sink :
£1,650.00

The fridge comes in silver or
you can upgrade to a black
fridge for an additional £60.00

Standard Microwave : £429.00

Smev oven / grill : £829.00

12V 6 bottle wine cooler : £759.00

Electrical works

All electrical works are undertaken in house by our workshop team.

All electrics are installed following the UK legislations and guidelines for camper vans / caravans / motorhomes.

We also specialise in corrective electrical works.

Installation of a 12v leisure battery split charge system with a double USB port and cigarette port : £929.00

Installation of 240 hook up with a full PMS unit, 2 x 3 pin plugs, 10m lead and micro hook up point : £1,295.00

To undertake a full habitation and gas check with 1 years certification on completion: £195.00

(As a company it is our policy that this check is undertaken by an independent inspector when we install electrics and gas into a van)

Solar
