

THE DUB HUT

KITCHEN UNITS AND PODS

SWB

LWB

All our kitchen units are cut on our CNC machine and are built in house.

We make kitchens for both SWB and LWB vans.

All our full kitchens come with overhead lockers, a splash back, a worktop, a table, a wardrobe section and cupboards for storage.

We build the kitchen unit to accommodate the size of bed that you would like.

You can still have a full kitchen with a 3/4 bed, a 1120mm bed, and a 1300mm bed.

The bigger bed that you have the slimmer the kitchen will be!

For full width beds we can supply and fit kitchen pods.

(Please see below for further information on this)

Kitchen pods

We can supply and fit kitchen pods to accommodate your full width bed or if you need more space in your van.

Kitchen pods are a great alternative if you don't require a full kitchen as they can still house a hob, sink and fridge or you can use it for storage.

Colour Options

All our kitchen units are made in high quality lightweight double sided ply.

There are so many choices :

- Bright colours
